No. 12656-60—L. B. 34-13-19, DATED BANGALORE, 13TH JUNE 1914.

ORDER THEREON.—Recorded.

2. Government note with satisfaction that, inspite of adverse seasons in the district and the prevalence of plague in the Hassan town, the shows held in Ramanathapur and Hassan were a great success, the collections of cattle being larger and superior in quality as compared with previous years.

3. The Exhibition and demonstration of Fly-shuttle looms and of improved ploughs and machinery formed special features of the Hassan Show and it is gratifying to observe that the agricultural implements found a ready sale.

4. The thanks of Government are due to the officers and non-official gentlemen who brought about the success of these shows, by their enthusiastic co-operation.

D. M. NARASINGA RAO,

*Officiating Secretary to Government,

To—The Revenue Commissioner in Mysore.

Sir,

I beg to submit herewith a report of the Cattle Show, held at Ramanathapur, on the 5th and 6th December 1913, in connection with Sri Subramanya Jatra there.

1. The show was the third, held at the place, the first one having been held in November 1911.

2. The management was vested in a Committee, comprising of 63 members with P. R. W. Wetherall, Esq., Deputy Commissioner as President, and Mr. G. S. Ramaswamiengar, Amildar as Vice-President.

3. The following gentlemen were selected as judges from among the members:—

1. Mr. B. V. Venkatachar, Assistant Veterinary Inspector.
2. „ Govinda Rao, B.A., LL.B. of Basavapatna.
3. „ Narasimhasastri, Jodidar of Mattigode.
4. „ A. V. Suryanarayanasetti of Arkalgud.
5. „ Shamanna of Basavapatna.
6. „ Mallanna of Kerlapur.
7. „ Channabasappasetti of Kotwal.
8. „ Venkatasubbaiya of Belavadi.
9. „ Nanjundaiya, patel of Ankanahalli.
10. „ Timmegowda of Rudrapatna.
11. „ Tirumalagowda of Gangur.
12. „ Subba Rao of Konanur.
13. „ Doddappajiseti of Bettadapura.
14. „ Ramanna, shanbhog of Kudlur.
15. „ Shamachar of Ramanathapur.
16. „ Tirumalachar of Ramanathapur.
17. „ Siddalingaiya of Woddavanada Hosalli.

18. Mr. Boregowda of Haradnahalli.
19. " B. K. Subba Rao of Basavapatna.
20. " Mallaraj Urs of Gangoor.
21. " Mallasetti of Basavapatna.
22. " Appajaiya of Siradanahalli.
23. " Kalegowda of Katteपुरa.
24. " Basavegowda of Bannur.
25. " Puttegowda of Kabbligere.

4. The number of cattle exhibited this year was about 11,000 as against 4,600 in the previous year. The increase in number, despite the unfavourable season, may be attributed to the fact that a brisk sale took place last year.

The number of cattle selected for prizes was 40 as against 18 in the previous year. The cattle exhibited were all of Hallikar breed and of all ages and sizes. The approximate number of each class was as follows:—

1. Breeding bulls	126
2. Ploughing bullocks	6,050
3. Dawk bullocks	376
4. Draught bullocks	1,892
5. Calves	2,280
6. Cows	96
7. Cow buffaloes	12
8. Bull buffaloes	27
9. Ewes	12
10. Rams	16
11. He-goats	10
12. She-goats	3
Total				10,900

5. Twenty-nine prizes and two special prizes offered by Messrs. D. Channabasappasetti, sowkar and coffee planter of Somwarpet, and M. Govinda Rao, B.A., LL.B. of Basavapatna, on the show ground, were awarded as against seventeen prizes and one special prize in the previous year. Photos of cattle which were awarded prizes are submitted herewith.

6. The show was held on the same ground as in the previous years, *viz.*, on either side of the road leading from Ramanathapur to Basavapatna beyond the channel. As already reported this place is very well suited for the purpose having all the conveniences. Since the show is growing very much in importance and the number of cattle exhibited seems to grow larger and larger every year, it would be advantageous to acquire a portion of the fields on which the show is held and plant trees in a line so as to provide more shelter and make it very convenient for the purpose in future.

7. It was found absolutely necessary to erect separate enclosures to accommodate the cattle chosen for preliminary selection, and prize cattle. Provision for this purpose will be made in the next year's budget.

8. The right of collecting the tax on shops and fees on cattle admitted into the show ground was sold as in the previous year. The receipts were as follow:—

	1912.	1913.
Fees on cattle and shop tax	702	635
For special prizes	5	10
(not credited to the treasury and as it was offered on the spot and paid away as prizes).		
Contribution from District Funds	175	200
Sale of manure	90	96
Total	972	941

It will be observed that the right of collecting fees and tax fetched Rs. 635 as against Rs. 702 last year. Last year being the first year in which the right was sold, there was keen competition and the contractor seems to have suffered some loss. Added to this, there was an apprehension that the collection of cattle would be less this year owing to unfavourable season; hence the low bid this year, but seeing the number of cattle that entered the show ground this year, it may be safely expected that next year, the realizations will be very much greater.

9. The total expenditure this year was Rs. 208 as against Rs. 175 of last year, as detailed below:—

	1912.	1913.
Prizes for cattle	100	148
Special prizes	5	10
For photos of cattle	20	20
Clearing the Show ground sanitation and other sundry works	20	30
Sports	30	nil
Total	175	208

10. The increase in expenditure was due to more prizes having been awarded this year and better sanitary arrangements made in the way of providing latrines in several convenient places.

The expenditure was all met from out of the Rs. 200 sanctioned from District Funds and from the amounts offered as special prizes by private individuals.

Out of the total receipts of Rs. 941, Rs. 731 was credited into the treasury on 14th November 1913 and Rs. 2 on 5th January 1914, and the balance was the expenditure incurred.

11. The show was very successful. The quality of the cattle was better than that of last year, especially among breeding bulls, calves and dawk bullocks. A practical test was made among the bullocks of various kinds.

12. A dispensary was temporarily opened as usual, to afford medical relief and the sanitation was well attended to. There were no epidemics either among men or cattle during the occasion.

13. The President opened the show on the 5th and distributed prizes to the winners in the show on the 6th and explained to the assembled raiyats, the objects and benefits of the show. The Veterinary Assistant Inspector delivered a lecture in Kanarese regarding cattle breeding and the management and improvement of cattle.

14. Sales to the extent of about 60,000 were effected on the occasion. Compared with the number of cattle collected, the sales were not so brisk as last year, as the prices were rather heavy.

15. The net savings to the District Funds amounted to Rs. 533. It is desirable to provide some rest houses for pilgrims and to improve the sanitation of the town as a considerable portion of the collection is saved every year.

16. The members of the Committee and the judges took a great deal of interest in the organization and working of the show. My thanks are due to the President and the members. My special thanks are also due to Mr. M. Govinda Rao, B.A., LL.B., who took a lively interest in the arrangements of cattle, judging and practical tests.

G. S. RAMASWAMIENGAR,

Amildar.

V. Number of prizes awarded.

6. The particulars of prizes awarded is shown in Appendix IV. A sum of Rs. 257 was given away as money prizes out of the District Board grant while a special prize of Rs. 5 offered by Mr. S. N. VI. Cattle Show ground and arrangements as regards water-supply and sanitary requirements.

7. This year also the show was held on the maidan adjoining the District Police Office building in close proximity to the newly constructed musafirkhana. There is a draw well on the ground itself and a temporary reservoir was as usual constructed by putting a temporary dam across the sluice channel of the Channapatna tank. Satisfactory sanitary arrangements were made by the Vice-President of the Hassan Municipality Mr. M. Srinivasa Murti, and the best thanks of the Committee are due to him and his Sanitary staff.

VII. Total receipts, viz., from fees, private subscriptions and contributions.

In the sum of Rs. 783-1-0 is included contributions amounting to Rs. 25 offered as private subscriptions towards special prizes referred to in para 5 *supra*.

VII. Expenditure.—Total expenditure.

9. The total expenditure was Rs. 493-10-9 as detailed in Appendix VII. This gives a surplus of Rs. 789-6-3, the total income being Rs. 1,283-1-0, which includes the District Fund grant of Rs. 500.

IX. Concluding remarks including a comparison of results of the show with those of the preceding year.

10. A comparative statement of the income of the show is embodied in Appendix VIII. It may be observed that the income of the show was Rs. 1,283-1-0 as against Rs. 1,102-8-0 of last year, resulting in an increase of Rs. 180-9-0.

11. It is gratifying to report that not only the number of cattle rose from 6,234 last year to nearly 9,000 this year, but also the estimated realizations from sale of cattle increased from one lakh of rupees to one lakh and fifty thousand.

12. The quality of cattle exhibited was on the whole fair and attracted numerous buyers from distant places such as Mangalore, Haveri, etc. Copies of photographs of some of the successful exhibits are herewith submitted for kind perusal.

13. A special feature of this year's show was the weaving demonstration with the Fly-Shuttle loom which was organized under the resolution of the District Committee of the Economic Conference.

14. Not only did the numerous weavers of Hassan Town, Grama and the other villages of the Hassan Taluk attend the demonstration and follow it with keen interest, but the demonstration itself also afforded very great pleasure to the numerous raiyats who witnessed it.

15. And Dr. Coleman, the Director of Agriculture, with his wonted courtesy very kindly sent his staff with improved ploughs and machinery for exhibition and practical demonstration under the charge of S. Daniel, Agricultural Inspector.

16. A direct result of this exhibition was that many of the ploughs found a ready sale soon after they were demonstrated.

17. In conclusion, the Committee beg to give expression to their deep sense of gratitude to Mrs. Wetherall for her kindness in having opened this year's show, and in also having distributed the prizes to the successful exhibitors. A copy of the speech delivered by Mr. Wetherall on behalf of Mrs. Wetherall at the time of the opening of the show is hereto appended.

S. VENKATESAIYA.

Joint Honorary Secretaries.

Hassan Cattle Show of 1914.

Ladies and Gentlemen,

We have assembled here this morning for the opening of the 5th Annual Cattle Show of Hassan. In January 1910, the 1st Cattle Show was held on these grounds, which in point of space, central position, shade and water-supply, are admirably suited for the purpose; and since that year the Cattle Show here has become an annual event.

Mrs. Wetherall feels highly flattered at being asked by the Cattle Show Committee to open this Show to-day and she desires me to express her best thanks for the honour conferred on her by the Committee.

This cattle show has become firmly established, and has been increasing in popularity and usefulness year by year. The number of cattle brought to the first show in January 1910 was about 4,000, and although the minimum fee of one anna per head of cattle was imposed in 1912 for the first time, 5,137 cattle were admitted into the show enclosure, which figure increased up to 6,234 last year, and from the present appearances it is believed that the number will be found to be still larger this year in spite of the recent prevalence of plague in the town, and the unfavourable season conditions owing to short rainfall and consequent diminution in the supply of fodder.

For these reasons, the Superintendent of the Amrut Mahal department has intimated that it is not feasible this year to send to the show a herd of Amrut Mahal cattle with the young cattle set apart for sale by auction, as done in previous years.

The objects and advantages of holding cattle shows are already well known to all. It is obvious to every one that Agriculturalists and Traders are equally interested in the improvement of breeds of cattle, and that opportunities that they have of competing with each other in exhibiting, buying and selling cattle at shows of this kind, are most beneficial, and afford special encouragement to cattle breeders.

This year it has been particularly noticeable that buyers and sellers of cattle began to assemble at Hassan several days prior to the advertised date of the opening of the show, and that a good many cattle have already been purchased. This indicates their anxiety to be foremost in the cattle market, and to take early opportunities of striking their bargains. Such eagerness on their part is proof of increased supply and demand for cattle.

A gold medal has been established this year to be awarded for the best animal in the show. With a view to attracting a larger number of exhibits in milch cows, Mr. S. Venkatesaiya, Joint Honorary Secretary of the Show Committee, has very liberally offered a gold medal for the best milch cow. And Mr. Mahomed Zaharuddin Mecci, Excise Assistant Commissioner of Hassan, has very kindly offered a silver medal for the best pony in the show. The warm thanks of the Show Committee are due to these two gentlemen.

Mr. L. C. Coleman, Director of Agriculture in Mysore, has kindly intimated that he will make arrangements for the demonstration of agricultural implements, and for the delivery of popular lectures on Agricultural matters during this show, which will undoubtedly be instructive to Agriculturalists, and it is hoped that they will be induced to adopt more effective methods of agriculture.

Mr. M. A. Sampathiengar, Superintendent of the Weaving School at Hole-Narsipur and member of the Hassan District Committee of the Economic Conference, has kindly arranged to demonstrate at the show grounds the fly-shuttle loom with a view to inducing the adoption of this improved loom by weavers of this district, as much more effective and time-saving than the ordinary hand loom mostly in use by them.

Now, ladies and gentlemen, I will ask Mrs. Wetherall to perform the function of declaring the Hassan Cattle Show of 1914 open to the public.

P. R. W. WETHERALL,

Dated 5th January 1914.

*Deputy Commissioner and President,
